CONGRATULATION TO THE WARREN-WAUKEGAN FPD BOARD OF TRUSTEES, FIRE CHIEF FRED FRIEDL AND FIRE MARSHAL TOM KEEFE

To provide an improved minimum standard for the safety and protection of Warren-Waukegan (Gurnee) citizens and firefighters; Fire Chief Fred Friedl, Fire Marshal Tom Keefe and the Warren-Waukegan FPD Board of Trustees worked closely with each other to amend and update building and fire codes to the 2012 editions of the International Building (IBC), Fire (IFC), and Residential (IRC) Codes. These newly adopted standards further solidify the fire district's commitment to utilize fire sprinkler systems as lifesaving elements for multifamily residential, commercial, and high-rise structure that have been inherent in the community's development since 1997.

All new single-family homes will now be protected with fire sprinklers using the NFPA 13D standard, joining 87 other Illinois communities that provide the best technology available for fire- and life-safety protection for residents.

The Warren-Waukegan FPD should be proud of their long tradition of providing superior service to fire- and life-safety protection to the community now and into the future.

Warren-Waukegan Fire Protection District Board of Trustees:

President Phillip DeRuntz
Secretary Brian K. Wattleworth
Treasurer Martin Klauber

Fire Chief Fred Friedl
Fire Marshal Tom Keefe

Congratulations for following FEMA's "America Burning" recommendation to make fire sprinklers a community's major front-line fire defense, and FEMA's "Firefighter Life Safety Summit Initiative #15," which calls for fire sprinklers in new residential occupancies to protect firefighters and reduce firefighter deaths and injuries.
